PRESIDENT'S MESSAGE by Jerry Lively

What happened to November? Seems like a week ago we were preparing for Trick or Treat and here we are in the Holiday Season. We have only a few more days of 2008 to go.

I wish everybody a great Holiday Season. We all deserve a break after what we have been through this last year.

Bingo night was great. We hosted a good crowd and won some great prizes. Donna McKee and others worked hard on this and I want to thank them for their hard work.

Christmas is coming up and our membership drive is coming along. Renewals have gone out in the mail and we at MBMC are looking forward to a lot of people coming back.

I have heard that not all people like fishing. (I do not know how that can be but that is what I have been told.) We on the board are hard put to keep up with our obligations of tournaments, events, awards, and record keeping. The drafting of a schedule for next year is a big part of making the year successful and we need your input if your ideas are to be incorporated. The schedule is going to be set up in January 2009 for next year.

The board is currently working with essentially an event or two per month. This is in addition to our monthly board meeting and chairing other functions. If you want less tournaments and more social events then we will attempt to do that. If you want less seminars and more meeting type events we can do that. However, we will need some feedback and if there is something that you are not happy with or cannot live without, drop us a line with your membership form or catch us on the dock and tell us. Also let us know if you can chair or help with a monthly function or event. If you are interested and have some time we would be happy to have you on the 2009 MBMC Board of Directors.

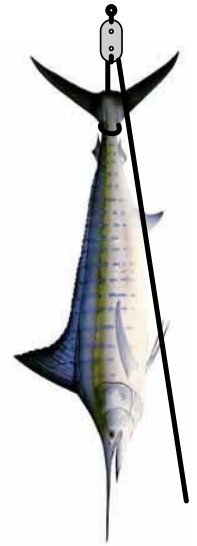

The board hopes you all have enjoyed your membership and have taken advantage of some aspect of the clubs benefits. Have a great Holiday Season. Merry Christmas and Happy New Year.

Jerry Lively

THE WEIGHMASTER'S REPORT

Congratulations to Dave LaGuardia who caught a 26.2 # Yellow fin to win the reel and Fish of the Month for November. Good Job Dave, that fish is now the largest yellow fin weighed in so far this year for our club!! We have had some really nice fish weighed in this year for the FOM winners even in the “off season” and I am sure December will be the same.

REPORTING WEIGHED FISH— Please report all catches for Fish of the Month, Marlin caught or released, or candidates for other MBMC award categories to the weigh master by **phone and FAX** as soon as possible. Original weigh slips from other certified scales should be mailed to the Weigh master. Clearly indicate species, weight, line test, angler name and location caught. Fish weighed in at Dana Landing Market, please make sure that you leave the white copy of your weight slip at their office for the weigh master to pick up.

2009 Tournament Schedule

We would like to hear from you!! Any ideas or input that you may have on the tournament schedule for next year? We will be working on getting that schedule set before the end of the year, and want to know what we can do to get more of our members to participate in our tournaments.

The first tournament for 2008 had more anglers than we had for any other tournament all year. Our goal is to increase the number of participants for all of our tournaments in 2009, and we need your help to do that.

What kind of speakers would you like to see at the Captain's Meeting/Seminars? What would make you more likely to fish in all of the tournaments? You can send an e-mail to the tournament director, Jeff Meeker at jayveeconstruction@sbcglobal.net, or to donnamckee@sbcglobal.net.
