PRESIDENT'S MESSAGE by Jerry Lively

August is over and done. There was a flurry of activity on the Marlin and we had a great Tuna run here close to Mission Bay. Once again the Lively One did not fair well on the Tuna tournament. We had a great fish count but no real size to any of them. We knew that we were beat so we decided to have some filleting lessons and got some training done. Congratulations to our winners. It is great to have some different names on the leader board. See the Tournament News on the Web page for the latest.

September is going to go real fast. The first weekend is the "Make a Wish" Tuna tournament. A worthwhile and exciting tournament. It looks as if the Tuna is going to hang around for this and they are close. You want some notoriety and acknowledgement then join and get out there this next weekend.

The second week is the Invitational Light Tackle Tournament. This is a catch and release tournament for Marlin and we have a few boats from the club that enter. We are out to take the club trophy once again. The same weekend (12th thru 14th) is Lori Byron's Fish tournament. This tournament is for the kids who are interested in art. Especially marine art like Chuck Byron was so good at. There are sport fishers and private boat entries and prizes for a variety of species. Each one is given a prize multiplier so that a Calico Bass could beat a Marlin. The awards dinner is usually a great event with lots of local reporters and announcers. The kids all get special attention and should be a good event for the younger boaters who do not want to run the 50 miles or so for the Tuna.

The fourth weekend is our Heart Tournament. I have been busy with Alan Pitcairn getting this together. It is getting close and, as you can see, the Tournament is surrounded by attractive distractions. Get your entries in now. The Early Bird is a custom wrapped casting rod from Fisherman's Landing and a Saltiga 50 Diawa reel. The winner of this prize for the last two years has gone on to win the Heart Tournament. You also save \$20 per crew entered. You may not be able to help us get the Tournament together, but your entry will go a long way into making the Heart Tournament effort worth while.

This whole month is the Roy Lively Memorial Marlin Club. Please enter before heading out there. The winning fish could just be an incidental catch. I know last year I caught a fish in the ILTT and did not have my entry on file. Therefore it did not count. Neither did Clint's fish caught a day later.

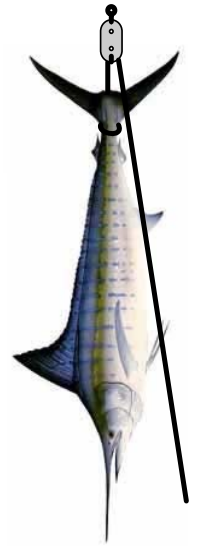

Hope your season has been spectacular and see you at the Heart Tournament.
